SECTERRISE / APPLICATION PREVIEW

seCTerRise Grant Application

A quick look at the key information requested in the seCTerRise application. Use this guide to prepare your answers before an application round opens. This is a preview, not an application for submission.

01 Business & Owner Information

- Business name, address, website and contact information
- Business owner name and title; years in operation
- Business owner demographics and ownership characteristics
- Number of employees, including the owner

02 Tell Us About Your Business

- Describe your business in 2–3 sentences.
- How do you currently market your business?
- Have you worked with seCTer previously? How did you hear about seCTer?

03 Your Proposed Project

- What will grant funds be used for? Describe the purchases or improvements.
- How will this project help your business grow or expand?
- Will the project create jobs? If so, explain the anticipated impact.
- How will you manage the project, and what is your expected timeline?

04 Project Budget

List each planned purchase or expense and its estimated cost.

Identify the total amount of grant funding requested.

BEFORE APPLYING

Be prepared to provide supporting financial records, project quotes or estimates, and other verification documents requested by the current application. Exact requirements may vary by funding round.

Important: This document summarizes key application questions for planning purposes. It is not the complete official application and cannot be submitted for funding.
